

A REGULATION ELIMINATING SMOKING IN WORKPLACES AND PUBLIC PLACES

Effective 1/11/02

Sec. 1000. Title

This article shall be known as the Cabell County Clean Indoor Air Regulation of 2001.

Sec. 1001. Findings and Purpose

The Cabell-Huntington Board of Health does hereby find that:

Numerous studies have found that tobacco smoke is a major contributor to indoor air pollution, and that breathing secondhand smoke is a cause of disease, including lung cancer, in nonsmokers. At special risk are children, elderly people, individuals with cardiovascular disease, and individuals with impaired respiratory function, including asthmatics and those with obstructive airway disease; and

Health hazards induced by breathing secondhand smoke include lung cancer, heart disease, respiratory infection, and decreased respiratory function, including bronchoconstriction and broncho-spasm.

Accordingly, the Cabell-Huntington Board of Health finds and declares that the purposes of this ordinance are (1) to protect the public health and welfare by prohibiting smoking in public places and places of employment; and (2) to guarantee the right of nonsmokers to breathe smokefree air, and to recognize that the need to breathe smokefree air shall have priority over the desire to smoke.

Sec. 1002. Definitions
